Dear Parents

Another week of amazing learning! Dolphins have really blown my socks off this week and have worked really hard.

Last week our attendance was so close to being in the green!!! So far this week, our attendance has been AMAZING, the children are really excited about this and I really hope that we can reach 100%!! I KNOW WE CAN!

In maths this week, we have been working on estimating and number sequences, this has really tested us but we were up for the challenge!

In literacy we have moved on to the writing section of our literacy sequence. We have been focussing on the success criteria of explanation texts and have been trying to include everything we have learnt- so far they are sounding stunning!

Yesterday, as you all know, was world book day!! I absolutely loved seeing the children and the staff all dressed up as their favourite book characters- everyone looked fantastic! As a class, we have been learning the poem 'The Owl and the Pussycat', we have filmed this and we will be making these into a school film for all parents to see! We can't wait for you to see it! The children chose this poem as it is one that we all loved.

Thank you to all parents/guardians who came in to read with their child on world book day; the children found this really special and it was a great way to promote a love for reading!

Best wishes
Miss Leaman

Star of the Week

Jacob Coldrick- Brown- Jacob is new to the Dolphins and has completed fitted in. He is kind, hardworking and already a great friend to all members of the class.

Important!

Could we please make sure no toys are being brought into school- Thank you ☺
