

## LITTLE STARS CHILDCARE CENTRE EXPRESSION OF INTEREST FORM

This form is intended for parents and carers to register their interest in a nursery place at Little Stars Childcare Centre.

This form provides us with sufficient information to contact parents at the appropriate time when formal requests are to be made. This will usually be in the first half of the term prior to the term your child is eligible to enter the nursery. **A child is eligible to enter the nursery at the beginning of the term after they have reached their third birthday.**

Completion or acceptance of the form does not indicate a place requested or offered. Gaining a place in the nursery does not guarantee a place at an Academy within the Partnership, for which a separate registration form should be completed.
